1-Search Filters

- **Scientific Degree**

Specifies the academic level for which course information is displayed.

- **Academic Year**

Defines the academic year to be used when retrieving course schedules.

- **Semester**

Identifies the semester in which courses are offered.

- **College**

Filters the results by the college responsible for delivering the courses.

- **Department**

Narrows the search to a specific department within the selected college.

- **Course Code**

Allows the user to search for a course by its official code.

- **Course**

Enables selection of a course from the available offerings.

- **Course Level**

Filters courses by their academic level or classification.

- **Section**

Limits results to a specific course section when required.

- **Instructor**

Filters courses based on the instructor assigned to teach them.

- **Campus**

Specifies the campus where the course is delivered.

- **Building**

Indicates the building associated with the class location.

- **Rooms**

Allows filtering by classroom or lecture hall.

- **Days**

Enables selection of specific days of the week on which courses are held.

- **Order By**

Determines how the search results will be sorted.

- **Search button**

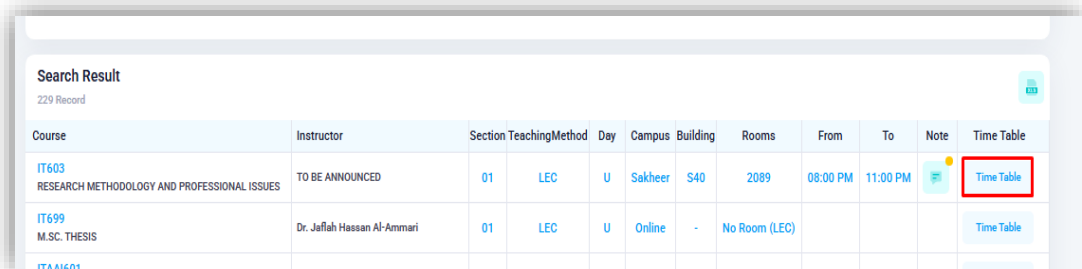

Executes the search using the selected criteria.

- **Reset button**

Clears all entered selections and returns the form to default settings

2-Search Results

Displays all courses that match the chosen filters, including course details such as instructor, section, teaching method, schedule, campus, and room information.

The screenshot shows a web application interface for search results. At the top, it says 'Search Result' and '229 Record'. Below this is a table with columns: Course, Instructor, Section, TeachingMethod, Day, Campus, Building, Rooms, From, To, Note, and Time Table. The first row shows course IT603, instructor TO BE ANNOUNCED, section 01, teaching method LEC, day U, campus Sakheer, building S40, room 2089, from 08:00 PM, to 11:00 PM, and a 'Time Table' button highlighted with a red rectangle. The second row shows course IT699, instructor Dr. Jafiah Hassan Al-Amrari, section 01, teaching method LEC, day U, campus Online, building -, room No Room (LEC), and a 'Time Table' button. The third row shows course ITAA1601.
