User Account: College Dean
Function: Approve Course Result

Contents

A. System Overview	3
B. Instructions	4
1. Search for sections:	4
2. Preview the late groups for submitting grades	5
3. Course Result Stats (Grades)	6
4. Show Students	7
5. Preview student section	8
6. Statistical Grading Report	9

A. System Overview

- From the Faculty Follow up menu, the College Dean can select the screen “**Approve Course Result**” to view the course grading results sent by the Head of department for course sections they teach, so the registration admin can then approve and announce the results.

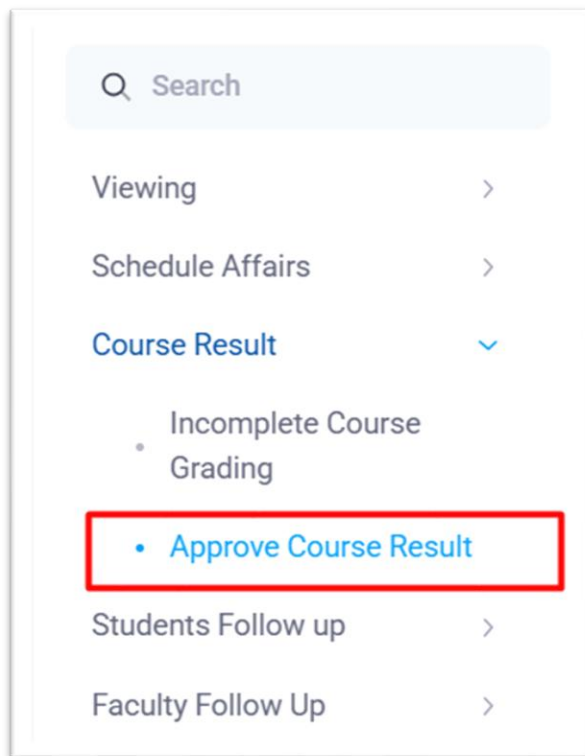

Figure 1: Approve Course Result

B. Instructions

This screen allows the Head of Department to view the course grading results sent by the college staff for course sections they teach, and Approve/Reject the results, so the registration admin can then approve and announce the results.

1. Search for sections:

Home / Course Result / Approve Course Result
